BLIZZARD	Clearly the best entry-level blades available, Blizzard Blades give you the glide and control you need to perfect your technique on the ice. Featuring steel tubes for flexible stability, Blizzard will help you blow by the competition, without all the snow 30-31 32-33 34-35 36- 37 38-39 40-41 42-43 44-45 46-47 14.0" 14.5" 15.0" 15.5" 16.0" 16.5" 17.0" 17.5" 18.0"		\$297
COMET ALUMINIUM	For long track blades that give you greater feel and control in the corners, look no further than Maple Comet. With 1.10mm, hardened bimetal runners, and build in T-bone, it's never been easier to transfer your true power to the ice. Feel the adrenaline 34-35 36- 37 38-39 40-41 42-43 44-45 46-47 15" 15.5" 16" 15" 15.5" 16" 16.5" 16" 16.5" 17" 16.5" 17" 17.5" 18" 17" 17.5" 18" 17.5" 18" 18"		\$519
COMET LASER	More current record holders have earned their titles atop Comet Lasers than any other long track skate. Super-strong with better feel and glide, Lasers stay sharp longer, so you can power your way into the record books 34-35 36- 37 38-39 40-41 42-43 44-45 46-47 15" 15.5" 16" 15" 15.5" 16" 16.5" 16" 16.5" 17" 16.5" 17" 17.5" 18" 17" 17.5" 18" 17.5" 18" 18"		\$771
TWIN LASER	Twin Laser Long Track Blades combine an ultra-light T-bone clap mechanism with powder bi-metal blades, for a fine, consistent edge, and easy-to-polish surface. Taller than traditional runners, they let you put more power into the straights so you can leave the competition behind 34-35 36- 37 38-39 40-41 42-43 44-45 46-47 15" 15.5" 16" 15" 15.5" 16" 16.5" 16" 16.5" 17" 16.5" 17" 17.5" 18" 17" 17.5" 18" 17.5" 18" 18"		\$887
